| 1026 |                          | <i>Stenella longirostris longirostris</i> | (J.E. Gray, 1828)        | Gray's Spinner Dolphin               |
| 1027 |                          | <i>Stenella longirostris roseiventris</i> | (Wagner, 1846)           | Dwarf Spinner Dolphin                |
| 1028 | 629                      | <i>Steno bredanensis</i>                  | (Cuvier in Lesson, 1828) | Rough-toothed Dolphin                |
| 1029 | 630                      | <i>Tursiops aduncus</i>                   | (Ehrenberg, 1833)        | Indo-Pacific Bottlenose Dolphin      |
| 1030 | 631                      | <i>Tursiops truncatus</i>                 | (Montagu, 1821)          | Common Bottlenose Dolphin            |
| 1031 | 632                      | <i>Tursiops truncatus truncatus</i>       | (Montagu, 1821)          | Common Bottlenose Dolphin            |
| 1032 | Family Phocoenidae       |   |                          |                                      |
| 1033 | 633                      | <i>Phocoena dioptrica</i>                 | Lahille, 1912            | Spectacled Porpoise                  |

**Location term example**

West Papua (Indonesia)  
Papua New Guinea  
Aru. West Papua (Indonesia)  
Kiriwina (Papua New Guinea)  
New Britain. New Ireland. Papua New Guinea.  
Solomon Islands (*no islands specified*)  
Sulawesi (Indonesia). South East Asia

**Description**

West Papua Province of the island of New Guinea  
Mainland Papua New Guinea (island of New Guinea)  
The Indonesian island of Aru, and mainland West Papua in Indonesia  
The island of Kiriwina in Papua New Guinea  
Islands of New Britain and New Ireland, and Mainland Papua New Guinea (island of New Guinea)  
Widespread throughout the Solomon Islands  
The Wallacean Indonesian island of Sulawesi, and areas of South East Asia outside region

**Area of inclusion (main islands of Australasia and Oceania)**
